

Moorings Cluster Association
Board of Directors Meeting
10 January 2004

Present: Tim Cohn, Robyn Spence, Erik Landberg, Carol Matthews, Laurie and Jack Corkey

Approval of Minutes from 7th December 2004 cluster meeting will be postponed until next meeting pending amendments.

Presidents Report:

Renewal of Contracts:

Snow Removal

Tim states that Snow Landscapers have agreed to continue with snow plowing. Costs are in accordance with current payments.

Motion moved by Carol, that the cluster president will sign contract renewal with Peters Landscaping and seconded by Erik.

Trash and Recycling

Erik reported on alternative proposals from trash removal companies. It appears that American Disposal prices are competitive and they are also a local firm who are interested in developing their services in the area. Laurie pointed out that existing BFI contract has increased from \$9.62 to \$13.71. Current BFI contract expires in August 2004.

Repainting of curbs and stripes

Discussion continued re the requirements of the cluster and to be further discussed with the signs committee before a decision is made.

Tim has obtained professional pricing for redoing painting and curbs

Treasurers Report

Presented by Laurie.

Motion to adjourn meeting early due to members being called out of meeting hence no quorum.

Seconded without objection
